

Sterling Mortgage Income Fund

(the "Canadian Trust")

Fact Sheet
August 31, 2021

Investment Objectives

The Canadian Trust is a feeder fund set up to allow Accredited investors to invest in Sterling Mortgage Income Fund Ltd. ("SMIF"), which is an open-ended Mortgage Investment Fund established in February 2012 (the "Master Fund"). SMIF aims to deliver a consistent yield while focused on protection of principal. SMIF will originate high quality mortgages on a diversified basis to achieve a targeted overall net return to investors of over 10%.

Investment Strategy

Returns will be generated from (1) a portfolio of senior and junior mortgages, including bridge loans advanced to owners and operators and/or developers or redevelopers of retail, industrial, office, single and multi-family, or other commercial properties; (2) residential mortgages; (3) select participations or co-investments with other lenders in advancing loans; (4) select real estate backed liens; (5) investments in real estate and real estate assets.

The Investment Manager

Sterling Financial Group Inc ("Sterling"), the investment manager is responsible for the investment decisions of the Fund and will control and direct the Fund's business activities. Sterling has over 50 years of experience providing clients globally with a range of services including private banking, wealth management, and real estate development and lending. Sterling has over \$9 Billion in assets under management and administration.

The Manager

Slate Securities L.P. is an investment management platform specializing in real estate investing, across the private and public markets. As an affiliate of Slate Asset Management, an owner/operator of over \$6.3 billion of real estate with a proven track record, Slate Securities has access to deal flow and unique insights in real estate investing.
